HAPPY HOLIDAYS FROM ED & DIANE

Cruise Happy!

We are back on the Multi-cruise a year plan. Next year it's Hawaii, British Isles, Alaska and the Mediterranean. In 2025 we go to Tahiti, Canada/Newfoundland, the Iberian Peninsula, and Diane is still looking. Good thing we have stock in the cruise company.

✧ Retirement Year One ✧

Year one of my retirement was great. Three cruises, lots of activities and good times with friends at Del Webb. The major achievement was not driving Diane crazy being home all the time.

Retirement is great, and I should have done it sooner. Our schedule has more on it than when Ed was working. Aqua Aerobics, Golf, WebbCares Charity events and good times with friends. Trying to keep track of planning 3+ cruises a year and all the trips/cars/flights is a full time job. Toss in the random med/dental appoints, and the dance card is full. Highlight of the year was going back to Alaska and seeing all the changes in the glaciers

since our first trip in 2007. We are looking forward to Hawaii in Jan 2024. Merry Christmas and Happy New Year to you and yours!

Cruising Again!

What a year! Southern Caribbean in March, Canada/ New England in July and Alaska in September. Drove to Ft Lauderdale for the first, flew to

Montreal for the second and flew to Seattle for the third. Lots of changes post COVID, but great food and new experiences with familiar places. Went from the newest to the oldest ships in the HAL fleet. We're back!

The Year in Pictures

2023 was filled with activities old and new: cruising, WebbCares, golf and projects. We were so happy to be cruising again even if it was to familiar places. WebbCares kept us busy with the Chili Cookoff, Quilts of Honor, clothing drives, golf tournament and Party with a Purpose. Ed even found time for a few projects: refinishing nightstands and upgrading the laundry closet with Easy Closet cabinets. We close out the year with a visit from Diane's brother and sister-in-law, decorating for the holidays and preparing for our cruise to Hawaii in January. Here's wishing you a Merry Christmas and Happy New Year in 2024.
