HAPPY HOLIDAYS FROM ED & DIANE

Cruise Happy!

We are still on the Multi-cruise a year plan. Next year it's the Western Mediterranean, Canada/ Newfoundland, and the Iberian Peninsula. In 2026 it's the Panama Canal Transit and Solar Eclipse/ Spain for now. Like they say "Life is better on a cruise ship!"

✧ Yacht Rock Life ✧

Living the yacht rock life at Myrtle Beach and cruising has been fun. This year was Hawaii, Alaska Inside Passage and Western Caribbean cruises along with lots of activities at Del Webb and plenty of golf in golfer paradise.

Retirement gets better every year. The highlight of the year was our cruise to Hawaii in January round trip out of San Diego. We reconnected with old friends, Tom and Julie Wojszynski, and cruised the islands. We did learn that Diane is not a deep sea sailor and 5 straight days at sea is too many. This adjusted our future itineraries and we'll focus on more stops with fewer sea days. While in Myrtle Beach, our days were filled with Del Webb

Charity activities like the Souper Bowl, Spring Gala, Quilts of Honor, Clothing Drive, Golf Tournament and Fall Flannel Party. Berlin friends, Rick and Nancy Medrano, visited in April and our niece Hallie McCarn in July. A Merry Christmas and Happy New Year to all!

Sailing Away!

Another great year! Hawaii in January, Alaska in August and Western Caribbean in December. Hawaii was beautiful and Pearl Harbor was memorable.

Glaciers in Alaska are impressive as always and the Caribbean was warm and sunny while everyone froze in Myrtle Beach! Can't beat cruising on HAL!

The Year in Pictures

2024 was another fun filled year with activities old and new: cruising, WebbCares, golf and friends. Ed took a break from projects and played more golf. He even kept the Orthopedists in business this year with his minor golf injuries. Reuniting with old friends was wonderful this year, and it was like we never parted. Here's wishing you a Merry Christmas and Happy New Year in 2025.
