MAASDAM

CANADA & NEW ENGLAND CRUISE

SUNRISE 5:06AM SUNSET 8:44PM

ALL ABOARD: 4:00PM

Welcome Aboard!

Welcome to the Maasdam! Holland America Line passenger ships have traditionally been named with the “dam” suffix. The “dam” has been coupled with famous rivers, cities and even directional bearings.

Captain Arjen van der Loo, Hotel Manager Dirk Verhey van Wijk, Cruise Director Craig Di Rocco and the entire ship’s complement would like to welcome you aboard the Maasdam. Get ready for the vacation of a lifetime as we set out to enjoy the delights of New England & Eastern Canada!

TONIGHT'S DRESS REQUEST

Casual

SPECIAL REMINDER

Please do not throw sanitary napkins of any type, or any foreign items into the toilet. A blockage could affect many staterooms for long periods of time. Thank you for your cooperation.

FROM THE NAVIGATOR

After departure from Montreal at 5:00 pm the Maasdam will set a series of Northeasterly courses through the St Lawrence River towards Quebec. We shall be scenic cruising out of the river for 138 miles until arrival at Quebec at approximately 8:00 am tomorrow.

LIFEBOAT DRILL

This important mandatory exercise will be held this afternoon at 4:15pm. A safety video is now being shown on your stateroom TV, Channel 26, with important safety information. Please take the time to watch this video. Have a safe and enjoyable cruise.

WELCOME ABOARD SHOWTIME

Tonight in the Rembrandt Lounge on Decks 7 & 8 forward, hear about the fantastic onboard services we have to offer you and also meet the friendly and fun faces of the Cruise Staff. Then, enjoy the comedy of tonight's entertainer Frank Berry.

SWIMMING

There are two pools available for your enjoyment. The aft pool is for adults only and children should use the Lido pool under the glass dome. Children must be accompanied and/or supervised by their parents at all times while in or around the ship's pools. There is no lifeguard on duty at any time.

MR. & MS. MAASDAM

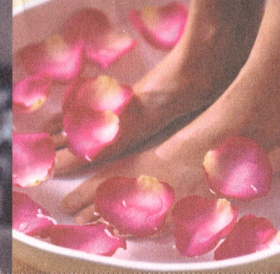

Don't forget to say hello to your fellow guests and ask if they are Mr. or Ms. Maasdam. Be the first to find them and win a boatload of ship prizes!

HAND WASHING

"Wash your hands after using the restroom but also before going to eat!" For your convenience we have installed germ control touchless sanitation systems at the gangway. This hand-sanitizer kills 99.99% of all disease causing germs on contact without the use of water or towels. Its germ killing ability is about 30-50 times more powerful than common antibacterial soaps and detergents, and 100 times more powerful than plain soap. Protect yourself and prevent illness – wash your hands.

BEVERAGE PACKAGES

Take advantage of our Unlimited Soft Drink Package with souvenir glass for only \$31.25 or our Six Glasses of House Wine Package for only \$20.50. Please ask our friendly bar staff for details.
