CANADA / NEW ENGLAND CRUISE
SUNRISE 5:10AM SUNSET 8:54PM

ARRIVAL: 8:00AM
ALL ABOARD: 3:30PM

Welcome to Sydney, Nova Scotia

Sydney is the largest community on Cape Breton Island with a population of about 26,000 people. Since 1995, Sydney has been amalgamated into the Cape Breton municipality with other municipal units in Cape Breton County. Sydney is the home of the University College of Cape Breton, which is the only university on the island. With the disappearance of the steel industry and coal mining in Cape Breton, Sydney has been undergoing economic decline for several decades. The local government is attempting to shift the city's failing industrial economy to one based on a diversified mixture of initiatives including tourism. Sydney was founded by Col. Joseph Frederick Walle DesBarres in 1785, and named in honor of Lord Thomas Townshend, 1st Viscount Sydney (also the Home Secretary in the British cabinet at the time). Lord Townshend appointed Col. DesBarres to be the governor of the new colony on Cape Breton Island. Col. DesBarres landed a group that consisted primarily of poor English citizens and disbanded soldiers. A group of Loyalists from the state of New York, fleeing the aftermath of the American Revolution, were added to the immigrants upon their arrival in Nova Scotia.

FROM THE NAVIGATOR

After the Maasdam departed from Charlottetown and when clear of the harbor we set an Easterly course, taking us along Northumberland Strait. Once clear of this straight we altered course towards the North coast of Cape Breton Island, and once we were on the North shores we set a Southerly course towards Sydney. We shall be boarding our pilot at 7:00am and be docked shortly afterward; departure will be at 6:00pm.
