WELCOME TO HALF MOON CAY

Have you ever seen such a perfectly shaped half moon beach? Peered through the water so clear? Sipped a tropical cooler in the shade of a palm tree? Half Moon Cay (pronounced "Key") is Holland America Line's private resort on Little San Salvadore Island. Less than 100 miles southeast of Nassau, between Cat Island and Eleuthera, the island is regarded by many Bahamians as the most beautiful in the Bahamas. Half Moon Cay serves up a warm West Indies ambiance, seasoned with the flavors of the Dutch, English, French, and Spanish. In keeping with the company's desire to conserve the environment, only 45 acres (of a total 2,400) have been developed to maintain as much habitat as possible for wildlife and parts of the island have been designated a Wild Bird Reserve by the Bahamian National Trust. It is a significant nesting area for waterfowl, including 200 pair of Roseate Terns and Bahamian Shearwaters. The bay affords excellent snorkeling among beautiful coral reefs to swim or sail and snorkel in.

DISEMBARKATION TALK

Lauderdale, at 4:00 pm in the Rembrandt Lounge, (at least one member of each family should attend this important talk). We will also introduce Mr. and Ms. Maasdam and their finders. There will also be a very special farewell by many of your favorite crew members, so have your cameras and videos ready.

Although Half Moon Cay is a beautiful beach island, weather conditions play an instrumental role in the duration of any cruise ship visit. Tide, wind and weather conditions at times may abbreviate the stay of cruise vessels. If you hear a series of short blasts on the ship's whistle or the continuous sounding of the warning siren on the island, please gather your belongings and proceed directly back to the tenders. Your cooperation is appreciated.
