HAPPY HOLIDAYS FROM ED & DIANE

Koffee

May 1998-October 2014

Koffee left us this year after 16 years and 5 months of faithful companionship. We miss her very much. To view her tribute page, go to <http://www.edhuneycutt.com/srd>

✧ The House ✧

The big projects this year were remodeling the master and guest bedrooms with new paint, refinished chair rails, and new crown moulding. Also, we replaced all the windows in the house with new Pella windows.

GUEST BEDROOM

Since every other room in the house had been updated, why not the guest bedroom? It was a real job for such a small room.

Ed had to remove all the moulding to scrape off old paint from previous owners. Then he stripped the wall paper border, washed the walls, primed and painted, and installed the refinished chair rails, baseboards and door moulding. To add a little more class, he

added crown moulding instead of putting up a border. Diane added a new bedspread and pillow shams.

Sporting Events

Ed attended a San Diego Padres game and watched them beat the Colorado Rockies. He also played golf in the SAS Pro-Am Champions Tour event in Cary.

The Year in Review

The year began with the traditional making of the sausage for the Grace Church Pancake Supper on Fat Tuesday. Then, Ed flew out to San Francisco to visit VMWare HQ and played golf at Half Moon Bay. He also went to his first hockey match to see the Hurricanes beat the San Jose Sharks. He got back just in time to

pickup his new BMW 328xD. He loves the ride, but 46 mpg is the best feature. It wasn't all fun and games, as we replaced all the windows in the house with new Pella windows. This made a huge difference in tightening up the house. Replacing the windows left some paint touch up to be done which resulted in

repainting the Master Bedroom and refinishing the moulding. Diane updated the curtains and bed liners for the final touch.

In June, Ed got to drive a real NASCAR race car on the Charlotte Motor Speedway and attained 155 mph. Ed then remodeled the Guest Bedroom to match the Master. To rest and relax, we went to Ocean City, MD when Diane's niece, Marie, brought the great-nieces in for a visit.

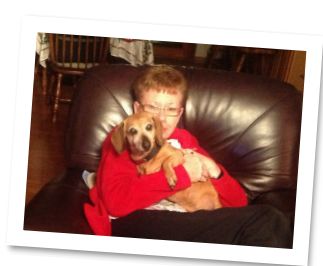

We had a blast on the boardwalk and beach.

August came and sent Ed to San Diego for a Gartner Conference. Naturally, he found an excuse to go to a San Diego Padres game and visit the USS Midway.

October brought the highlight, Ed playing golf in the SAS Pro-AM with Stephen Ames, and the low light of the year with the passing of our beloved Koffee. She had been in declining health for the past 6 months and reached the point of no return on 16 Oct. She joined Wille and Brandy in doggie heaven.

Ed took a trip to Chicago for another conference, but this time he really did work and attended no sporting events.

The first Monday in November we fed the homeless with our friends from Grace Church. Ed volunteered to serve on the Vestry at Grace and will help with the search for our new

Rector. We are closing out the year with a two-week Southern Caribbean cruise on the MS Amsterdam from 22 Dec - 5 Jan.

Here's wishing you and yours all the very best for the Christmas Holiday and a Happy New Year!
