# the HONEYCUTTS

HAPPY HOLIDAYS FROM ED & DIANE

## *The First Beach Bum Workshop Project*

First things first. Ed designed and installed new closet systems from Easy Closets in the bedroom closets in the new house and used the builder wire shelving in the garage for Christmas Decorations. So much for golf, maybe next year.

## ✕ We've Moved! ✕

*The big news for 2020 is, that despite the pandemic, we moved to Myrtle Beach, SC on 1 April 2020. We built a new house in Del Webb at Grande Dunes (<https://www.delwebb.com/homes/south-carolina/myrtle-beach/myrtle-beach/del-webb-myrtle->*

What is it they say about the best laid plans? We pulled it off anyway as it takes more than a pandemic to stop Diane. We accelerated the move and sale of the Tyro house, packed out on 31 March and moved into the new house on 1 April. Somehow that date seemed to fit the year to a tee. It's been a busy spring/summer/fall setting up the new house, meeting new neighbors (socially distanced, etc, etc), but we're getting settled in. We love the new pool

and daily walks on the beach which was our escape during the lockdown. Our new address is: 7037 Cecilia St, Myrtle Beach, SC 29572.

## *The Beach Bum Workshop*

*Installed slat wall and cabinets in the garage for the new shop area. No big projects, but room*

*for the small ones. For more pictures go to our website. <http://www.edhuneycutt.com/new-house/index.html>. Here's wishing health, happiness and a Merry Christmas and Happy New Year to you and yours!*

# The Year in Pictures

The year began with a delightful round of Diane's Dumpster Redux or how do you get rid of 22 years of stuff in less than two months. Then the pandemic hit, and we move into overdrive to finalize the sale, pack out and move. Apr, May, and June were spent setting up the house, organizing and adding in

the new items like a natural gas grill, patio furniture and other odds and ends. The new family room and living room furniture arrived in July and August. We did get to safely spend plenty of time at the pool and beach time this summer. Through it all, Ed continued to work remotely for HPT. Here's wishing us all a better 2021.

## Jan/Feb

- Pancake Supper Grace Episcopal
- Dumpster Redux

## Mar/Apr

- Sell the House
- Pack out/Move In

## May/June

- Easy Closets
- Garage Storage
- Hose Hangers

## Jul/Aug

- New Furniture
- Pool and Beach Time
- First Hurricane

## Sep/Oct

- Witches Walk/Golf Cart Parade

## Nov/Dec

- Trees, Trees and more Trees
